Education

2023–2027 **Long-cycle Master's Degree, Law, War Studies University in Warsaw**

- **Individually Accelerated Degree Pathway:** Officially condensing a two-year academic workload into a single year. Due to curriculum alignment, this involves concurrently completing advanced modules spanning the 3rd, 4th, and 5th years of the degree program (GPA: 4.9+).
- *Completed coursework includes 34 out of 37 modules to date* (with some grades currently under processing). As of 9th June 2026 modules that are to complete or under processing are: Humanitarian Law, Penitentiary Law and Commercial Law.
- Expected to fully complete all degree modules by the end of June 2026 - with only seminars and degree closure for the 2026/2027 academic year.
- **Minister of National Defence Scholarship (2025/2026)** - for significant academic achievements, awarded to a maximum of 12 people in Poland.
- **Tadeusz Kutrzeba Commemorative Medal (2026)** - Awarded in recognition of exceptional research work and academic excellence.
- **Academic development conducted in an individual mentoring model** – in the field of New Tech Law, EU law and Cybersecurity.
- Rector's Scholarship for outstanding academic performance (2024/2025 and 2025/2026).

2019–2023 **Władysław IV 8th High School in Warsaw, Profile: Mathematics-History-Civics**
