

WIKTOR WILKOŁASKI

Researcher in Technology Law, Information Security Governance & Applied Cryptographic Policy

Warsaw, Poland | Email: wiktor042004@gmail.com | LinkedIn: [linkedin.com/in/wiktor-wilkołaski](https://www.linkedin.com/in/wiktor-wilkołaski) | ORCID: 0009-0003-7810-9073

DOCTORAL RESEARCH FOCUS & METHODOLOGICAL PROFILE

Specialized Research Domains: Comparative Technology Law (EU–US–PRC), Post-Quantum Cryptographic Migration Governance, AI Civil Liability Frameworks (Revised PLD & AI Act), Distributed Systems Regulation, Comparative Cybersecurity Baselines (EU NIS2/CRA, US Presidential EOs/NIST Standards, PRC TC260/CSL/DSL/MLPS 2.0).

Doctrinal & Methodological Frameworks: Functional Comparative Legal Analysis, Ex-Ante Regulatory Impact Assessment (RIA), Systems-Level Vulnerability Stress-Testing, Empirical Socio-Legal Inquiry, Computer Science/Law Doctrinal Interface.

EDUCATION

War Studies University (Akademia Sztuki Wojennej)

Warsaw, Poland

Long-cycle Master's Degree in Law (Master of Laws – LL.M. equivalent)

2023–2026 (Expected)

- **Individually Accelerated Degree Pathway:** Completed an institutionally approved, merit-based fast-track curriculum concurrently compressing the final three years (Years 3, 4, and 5) of the 5-year uniform Master of Laws syllabus into a single academic year; maintained a top academic record (Cumulative GPA: 4.9+/5.0).
- **Minister of National Defence Scholarship (2025/2026):** Conferred the premier national competitive academic distinction for exceptional achievements in state security and legal theory, awarded to at most 12 recipients nationwide.
- **Tadeusz Kutrzeba Commemorative Medal (2026):** Conferred for distinguished scholarly research and policy contributions to technology law and national cyber defence.
- **Institutional Honours:** Rector's Scholarship for Outstanding Academic Achievements (2024/2025, 2025/2026); Dean's Honours List (2024/2025, 2025/2026).

SELECTED PEER-REVIEWED PUBLICATIONS

Springer Nature – Lecture Notes in Computer Science (LNCS)

Wilkołaski, W. (Corresponding Author), & Badźmirowska-Masłowska, K. *Quantum Cybercrime: Challenges in the Age of Advancing Quantum Computing Across the European Union, United States of America, and People's Republic of China.*

Lecture Notes in Computer Science (LNCS), Springer Nature [Double-Blind Peer-Reviewed]. DOI: [10.1007/978-981-95-4677-0_19](https://doi.org/10.1007/978-981-95-4677-0_19)

Technology and Regulation (TechReg)

Wilkołaski, W. *The “Quantum Paradox” and “Liability Based on Deterministic Risk”: Examining Data Breach Liability, Duty of Care, and Retroactivity in the European Union, United States of America, and People's Republic of China.*

Technology and Regulation (TechReg), Special Issue [Accepted after Peer Review at Tilting Perspectives 2026, Forthcoming]. SSRN: [6875399](https://ssrn.com/abstract=6875399)

TPRC54 (Washington, D.C., USA)

Wilkołaski, W. (Presenting Author), & Badźmirowska-Masłowska, K. *Quantum Cyberspace Bifurcation: A Comparative Analysis of Regulatory Approaches to Quantum Technologies.*

TPRC54: Research Conference on Communication, Information and Internet Policy [Double-Blind Peer-Reviewed Acceptance]. SSRN: [7475922](https://ssrn.com/abstract=7475922)

Polish Academy of Sciences (Polska Akademia Nauk)

Wilkołaski, W. *Redefining Seaworthiness: How Cyber Threats and Space Assets are Rewriting Maritime Law.*

Per Mare Ad Astra: Space Technology, Governance and Law, Vol. IV, Polish Academy of Sciences [Invited Paper, Peer-Reviewed, In Press].

Cybersecurity and Law Journal

Wilkołaski, W. *Legal Lacunae – Modern Cyber Threats Targeting International Aviation Beyond the Scope of the Beijing Convention.*

Cybersecurity and Law Journal, 2026 [Double-Blind Peer-Reviewed, Accepted].

WORKING PAPERS & PREPRINTS

European Society of Criminology (EUROCRIM 2026)

Badźmirowska-Masłowska, K., & Wilkołaski, W. *The UN Convention Against Cybercrime: Emerging Regulatory Dilemmas and Enforcement Bottlenecks.*

EUROCRIM 2026 Conference [Oral Presentation].

Targeted Law & Technology Journal Submission (Work in Progress)

Wilkołaski, W. *Anti-Cheat Intrusiveness: Client-Side Kernel Telemetry and Fundamental Rights under the GDPR, DSA, and Revised Product Liability Directive.*

Working manuscript finalized for journal submission (Complete draft available upon request).

EDITORIAL APPOINTMENTS & ACADEMIC GATEKEEPING

Invited Peer Reviewer | *Journal of Cybersecurity* (Oxford University Press)

07.2026–Present

Commissioned to conduct double-blind peer reviews of scholarly submissions assessing EU digital single market regulations,

cryptographic agility frameworks, and institutional security policy.

Certified Reviewer | Association for Computing Machinery (ACM)

09.2026–Present

Formally accredited for peer review across ACM Special Interest Groups (SIGs), international conferences, and affiliated computer science journals following completion of the ACM Reviewer Certification program.

SELECTED INTERNATIONAL CONFERENCE PRESENTATIONS

- TPRC54: Internet Policy Research Conference

09.2026
- Washington, D.C., USA | *Competitive Double-Blind Peer Review* – Paper: “Quantum Cyberspace Bifurcation”.
- IFIP Summer School on Privacy and Identity Management

08.2026
- KU Leuven, Belgium | *Peer-Reviewed Paper Presentation* – Paper: “Reconstructing Liability in Distributed Architectures: The Revised PLD vs. Federated Learning”.
- 9th Biennial Tilting Perspectives Conference

06.2026
- Tilburg University, Netherlands | *Peer-Reviewed Paper Presentation* – Paper: “The ‘Quantum Paradox’ and Deterministic Risk in Post-Quantum Liability”.
- 7th International Conference on Science of Cyber Security (SciSec 2025)

08.2025
- Wuhan, China | *Peer-Reviewed Presentation* – Paper: “Quantum Cybercrime in the Tripartite Regulatory Landscape (EU–US–PRC)”.
- AI Frontiers in Cybersecurity and Infrastructure Protection

2025
- Warsaw, Poland | *Invited Presentation* – Paper: “AI-Enhanced Cryptographic Agility Framework (AI-ECAF) Under Emerging EU Standards”.

LEGISLATIVE DRAFTING & HIGH-LEVEL POLICY EXPERIENCE

- Government Legislation Centre (Rządowe Centrum Legislacji – RCL)

Warsaw, Poland
- Legislative Intern (Department of Digital Affairs)

07.2025–08.2025
- **Supply Chain & High-Risk Vendor (HRV) Regime:** Authored and tabled proposed statutory amendments to draft act UC32 (transposing Directive (EU) 2022/2555 / NIS2, Art. 67b): anchored technical assessment thresholds to Common Vulnerability Scoring System (CVSS) metrics, formulated comparative multi-stakeholder advisory structures based on German/Austrian models, and drafted non-discrimination mutual recognition safeguards under Art. 18 TFEU.
 - **Constitutional Due Process & Judicial Review:** Formulated formal legislative critiques defending constitutional procedural guarantees (Arts. 45 & 78 Polish Constitution) against immediate enforceability clauses in ICT supply chain interventions; drafted statutory text restoring administrative re-examination procedures (Art. 127 § 3 KPA) and ensuring locus standi under Art. 28 KPA.
 - **Administrative Sanction Recalibration:** Reconstructed statutory penalty formulas under Art. 73 KSC: drafted amendments replacing gross revenue with annual net turnover (*obrót*) in strict alignment with Art. 34 NIS2, and designed mechanisms eliminating disproportionate minimum fine floors to prevent SME insolvency.
 - **Comparative Extraterritorial Jurisdiction:** Evaluated trans-border jurisdiction under Recital 114 NIS2, adapting Belgian statutory precedents to require actual operational activity within the EU single market; delivered inter-ministerial legal assessments with the Ministry of Digital Affairs, earning the highest official evaluation grade (“Excellent”).
- “SAVE THE CLICK” Foundation (Fundacja “SAVE THE CLICK”)

Warsaw, Poland
- Co-Founder & Vice President of the Management Board

09.2024–Present
- Lead strategic research and public policy initiatives on algorithmic accountability, intermediary liability, and platform enforcement under Regulation (EU) 2022/2065 (Digital Services Act) and Regulation (EU) 2016/679 (GDPR).
 - Drafted the organization’s foundational articles of association, compliance protocols, and institutional governance charters; represent the entity in formal public consultations with regulatory stakeholders.
- DeltaCom Service sp. z o.o.

Warsaw, Poland
- Junior Legal Specialist

06.2024–08.2024
- Conducted regulatory compliance and land title due diligence on broadband telecommunications transmission infrastructure; evaluated legal risks regarding utility easements under the Polish Mega-Act (*Megaustawa*).

TECHNICAL COMPETENCIES & REGULATORY FRAMEWORKS

- Technical Systems Analysis:** Kernel-level architecture analysis (Windows/Linux driver models, anti-cheat client telemetry, memory protection models), applied post-quantum cryptographic migration standards (NIST SP 800-series, FIPS 203/204/205), Federated Machine Learning architectures.
- Regulatory & Security Frameworks:** ISO/IEC 27001, NIST Cybersecurity Framework (CSF), PRC Standardization Administration frameworks (TC260 GB/T guidelines, Multi-Level Protection Scheme – MLPS 2.0).
- Scholarly Research Tools & Systems:** $\LaTeX$, LEX, Legalis, Git, Linux/POSIX environments, Markdown.
- Languages:** Polish (Native), English (C1/C2, Professional & Academic, CAE Certificate), French (Intermediate, DELF), German (Working elementary).
- Executive Certification:** AI, Justice, and the Rule of Law (2026), University of Oxford (Saïd Business School, Blavatnik School of Government, Faculty of Law) & UNESCO.
